Dear friends and colleagues,

A joint edition of the **V Colorectal Surgery Update and the III Colorectal Campus** will be held in Rome at the **Conference Centre Parco dei Principi from the 7th to the 8th of October 2021**. Parco dei Principi is conveniently located in the heart of Rome, next to Villa Borghese, Via Veneto and the Colosseum. The European Society of Degenerative Diseases (www.esdd.it), a N.P.O. with the scope of professionalization in the fields of **Surgical Oncology** and **IBD Surgery**, endorses this event. This year's focus is on **Organ Preservation in Rectal Cancer**, but most of the hot topics in colorectal surgery will be discussed.

The organizing committee is proud of an **international panel of colorectal surgeons from Italy, France, Greece, Holland, Spain, Swiss, UK and USA**.

Participants and faculty will be hosting in an **informal atmosphere** to discuss **videos, teaching points, updates, select readings and face-to-face debates** in order to create good and comprehensive encounter on the matter.

Meet the faculty and your colleagues during the two coffee break and lunches served during the conference. A large exposition from the most renowned surgical companies will be available onsite.

Should the pandemic gone missing, do not miss out our social interaction event on Friday evening and do join our **Poolside Far-West Dinner Party**.

We strongly recommend to **reserve your place now**, on a first come, first served basis. A maximum of 200 seats are available.

The V Colorectal Surgery Update and III Colorectal Surgery Campus is a join meeting FREE OF CHARGE for all and maintained COVID FREE with your certificate of vaccination!

See you in Rome next October 07-08, 2021

Ciao, Arrivederci!

Marco & Giuseppe
